Trevor telling the Johnny Robb story:
heyamifat.com/robb.mp4

When Jonathan Howard Robb started posting about Trevor on Insta, Trevor DM'd him and said he'd pay $20,000 to stop posting.

It turned out to be a sting operation. Jonny Robb was arrested. 3 weeks later he died.

We originally didn't post this recording, because we didn't want people spinning wild conspiracy theories that Trevor killed him or being unfair.

I urge everyone to be fair and not jump to conclusions or harass Trevor.

But it feels like the skeptics should know about this.

This person attended Trevor's wedding, but he still wanted him arrested.

What was it that he was posting that Trevor couldn't have out?

I didn't want to release this and feel apprehensive about it, but with Nikola
taking a combative and litigious stance against @HindenburgRes

and so many others I feel that it's not right to withhold potentially relavent
information any longer from people who may want to understand what
they're dealing with better.

I am not passing any judgement on what happened myself. Just posting it as
is.

Now, Trevor says this person was fabricating conversations and it was all lies
and this person was on drugs

but that's kind of what he said about hindenburg too

I had assumed you decided not to ask him about that. The scary part is he
sounded like he normally does when he has made up a story. 😬
